Crafted from the Elements

The Cascade Residences reflects a commitment to timeless quality and refined craftsmanship. **Inspired by the natural beauty of Jamaica,** each residence combines refined materials with organic textures to create a sense of **calm sophistication**. Porcelain flooring, wood-inspired accents, and premium fixtures bring warmth and balance, while contemporary furnishings reflect a connection to the surrounding landscape. **Each detail is thoughtfully designed to merge modern elegance with the effortless harmony of nature.**

Every material within Cascade has been **carefully selected to reflect the natural beauty of Negril** and to create interiors that feel **calm, elegant, and enduring**. While finishes may vary by supplier, every selection will maintain the same design intent, quality, and architectural specification.

A serene coastal lifestyle

NEGRIL, JAMAICA

Negril moves at the pace of the sea — calm, open, and endlessly serene. Along the Seven Mile Beach, the horizon stretches without interruption, **where ocean and sky become one.** Life here is guided by nature: mornings filled with soft light, days shaped by the breeze, and nights framed by quiet reflection. It's a place shaped by nature's quiet rhythm, **where simplicity and comfort coexist with refined design and understated luxury.**

Beyond the **breathtaking landscape,** Negril is rooted in the deep warmth of its community. Here, **genuine hospitality** is a way of life, and the local people are known for their easy smiles and generous spirit, welcoming visitors not just to a destination, but into a shared rhythm. This is a place where families thrive, where unhurried days become a canvas for **creating cherished memories.**

Negril is to experience the beauty of genuine connection.
